

# LOREBURN HALL

EVENT GUIDE: APR-SEP 2023

**Welcome** to our third programme of events at the Loreburn Hall. This next programme is our biggest yet, made up of contributions from our local community, please come out and support their amazing efforts.

We have included as much as we can, including line dancing, samba drumming, youth choirs, roller disco's, ballroom dancing, afternoon tea, club nights, singing lessons, live bands, swap shops, flea markets, local galas, egg hunts, as well as our brand-new community bingo sessions that run once a month on Saturday and Sunday's.

Come and soak up the atmosphere at one of our events, safe in the knowledge that lovely Doonhamers are doing this to provide our community with a great asset for the future.

We really do need your help. Book one of our events and help spread the word about

the programme of events to people in your community. Don't imagine that everyone knows and think about treating a neighbour to an event together. They don't call us Good Neighbours for nothing.

The next part of our journey is to secure the lease of the Hall from the Council, and if this goes to plan, we will begin our longer-term journey in the Loreburn Hall. We will look to attract as much national funding for this important asset as we can, so watch this space for our plans and if you want to get involved with us or run your project at the Loreburn Hall. Give us a shout by emailing: [graham@bigburnssupper.com](mailto:graham@bigburnssupper.com)

Anyone can become a member of the Loreburn Hall and anyone can take part in our events.

If you are interested in getting involved, our volunteers meet every Tuesday morning in the Hall, and they do lots of different activities like cleaning and maintenance. Without the valuable support of our volunteers this project wouldn't be possible. You can pop in and help, or if you want to volunteer at one of our events go to [bigburnssupper.com/volunteer](http://bigburnssupper.com/volunteer)

We look forward to welcoming you soon!
